Do you have a favorite local restaurant?

For nights out with the whole family, we enjoy Olivella's for a great pizza. If we are able to get away for a special night without the kids, I take my wife to Nonna or Shinsai.

◀ *My favorite dish at Shinsai is the miso black cod.*

What's an item on your wish list?

A 1950's Chevy pickup truck.

Do you have any pets?

Our family has a 5-year old Yorkshire Terrier named Duke, after my alma mater. He and I are the only men in the house so we have a special bond.

Where is your favorite place to vacation?

My favorite vacation spot is Jackson Hole, Wyoming because it is great for a family vacation any time of year.

Favorite author or artist?

Because of our daughters' love for story time, Dr. Seuss has once again become my favorite author. Even though my daughters are both under 3 years old, they light up when we read his books. I cherish this special time with them at the end of a long day.

What do you like to do in your time off?

I like to run outside with my wife. I also enjoy playing with our 2 young daughters - I've gotten very good at throwing "tea parties".

What's on your bucket list?

I hope to one day backpack through Patagonia and visit the Great Barrier Reef in Australia.
