Dear Patients,

It is with mixed emotions that I announce my retirement from Dallas Neurosurgical & Spine, as of July 31, 2024. Caring for you, my patients, has been my greatest pleasure and honor over my 43-year career and it is not easy for me to give it up.

As you know, Dallas Neurosurgical & Spine is staffed with some of the most knowledgeable, talented, and caring neurosurgeons in the country. I highly recommend that you select one of these neurosurgeons for your future neurosurgical needs. You can learn more about all of our physicians by visiting DallasNeurosurgical.com/about/our-doctors/.

I understand that some of you may want to select a new physician outside of our practice. If you choose to do so, I recommend that you begin looking for a new physician as soon as possible. You may want to contact your primary care physician or your insurance company for the names of neurosurgeons accepting new patients. Please be assured that my staff and I will do everything we can to make the transition smooth and stress free.
